Daisy Girl Scouts: 1 Hour Program

Magenta Petal – “Respect Authority”

Our docent will read “Gerri’s Story” (Playing by the Rules) and lead a discussion of the story, respect and how to visit a museum. The scouts will “interview” a museum employee, (visit someone who has authority in your community), find out about other people who are authorities in the community, draw a picture of one and tell why they are respected.

Brownie Girl Scouts: 1.5 Hour Program

My Family Story

To complete this badge, scouts will come prepared to tell a personal story about a family holiday or event, know what countries their family came from and bring an object or a photo or drawing of an object that was “handed down” within their family.

Our docent will read two short stories about local historical girls and lead the troop through a story tree and family crest making activity.

Jr. Girl Scouts: 2 Hour Program

Playing the Past

After a tour of the museum our docent will enable scouts to choose a local, female historical figure, draw a costume & home pictorial, play local games from different centuries, and finally, perform an “instant” play about their character. All props and materials included.

For information, or to reserve a tour for your troop, please contact:
